

# Agricultural Tire Policy – North America

A. This warranty covers original owners of all Trelleborg brand agriculture and forestry tires bearing Trelleborg serial numbers.

## B. Manufacturer's Warranty Period

This warranty policy is an eight-year workmanship and materials warranty. If a claim tire is warrantable during the first two years of service and is worn less than 25%, the tire will be replaced without charge including normal mounting and service charges. After the second year, the replacement price will be prorated based on years of service and tread wear. Length of service is established from the original purchase invoice or, if proof of purchase is not available, the replacement price will be based on time from date of manufacture, indicated by the production code on the tire as follows:

Years of Service or Age During	If worn less than	Pro rata Collection
3 <sup>rd</sup> Year	30%	30%
4 <sup>th</sup> Year	40%	40%
5 <sup>th</sup> Year	50%	50%
6 <sup>th</sup> Year	60%	60%
7 <sup>th</sup> Year	70%	70%
8 <sup>th</sup> Year	80%	80%

After the end of the 8th year, coverage expires. 100%

## C. Owner – User's Obligation

It is the owner-users obligation to operate tires within the load and speed limits at cool air pressures as specified by Trelleborg documentation according to specific tire size, type and load carrying capacity. Proper alignment of wheels is required. In case of a warranty claim, the owner-user must present the tire to an authorized Trelleborg dealer, or distributor, complete, sign the customer adjustment claim form, and pay the appropriate replacement price, tax, mounting and service charges for a new equivalent Trelleborg brand tire.

## D. Policy Exclusions

Trelleborg shall not be liable for incidental or consequential damages of any kind. No other warranties, express or implied, including warranties of merchantability or fitness for a particular purpose are extended.

This policy does not cover:

- Overload or improper inflation pressure or abuse.
- Wheel misalignment, mismatching of adjacent tires, or vehicle conditions.
- Conditions caused by earthmoving or land-leveling operations.
- Improper repair, balancing, or filler materials.
- Intentional alteration of either the appearance or the physical characteristic of the tire.
- Mounting damage or conditions caused by aging or improper storage and broken beads during mounting or handling.
- Damage due to abuse, vehicle projection, accident, collision, fire, or vandalism.
- Field or road hazards.
- Failure to observe all of the above "Owner-User's Obligations" items listed in Section C of this document.

## Stubble Damage Policy

### A. Tires Covered

The Trelleborg Stubble Damage Policy covers original owners of Trelleborg brand radial tires used in normal agricultural service.

### B. Policy Conditions

This Stubble Damage Policy is a statement of adjustment policy coverage only. Nothing in this Stubble Damage Policy is intended to be a warranty against stubble damage or representation that failures cannot occur. Trelleborg disclaims all warranties, express or implied, in respect of stubble damage, including but not limited to the implied warranties of merchantability and fitness for a particular purpose.

### C. Stubble Damage Policy and Pro Rata %

If a Trelleborg branded tire in normal Ag service becomes unusable or un-repairable, due to stubble damage, the tire will be replaced with an equivalent new Trelleborg branded tire on a pro rata basis as set forth below. The claimant must pay the pro rata percentage of the actual regular purchase price, plus mounting and service charges, freight, and applicable taxes.

Years of Service or Age During	If Worn Less Than	Pro Rata Collection
1 <sup>st</sup> Year	25%	25%
2 <sup>nd</sup> Year	50%	50%
3 <sup>rd</sup> Year	75%	75%

After the end of the 3rd year, coverage expires. 100%

## Policy Exclusions

To the extent permitted by law, Trelleborg Wheel Systems disclaims liability for any special, incidental, consequential and punitive damages, loss of time or profits, loss of vehicle use, or inconvenience, even if advised of the possibility of such loss or damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so this limitation or exclusion may not apply to you.

This Stubble Damage Policy does not cover broken beads, damage due to run flat, abuse, land leveling, vehicle projection, accident, collision, fire or vandalism. Only the original owner-user of the covered tires may make a claim under this Stubble Damage Policy.

## Owner- User's Obligations

The owner-user's obligations are to operate tires within tire load and speed limits (at cold air pressures specified by Trelleborg documentation according to the individual tire size, type, and load capacity. Proper alignment of wheels is required. To reduce stubble damage, the owner- user must:

1. Set the tire spacing to run between rows not on stubble.
2. Use mechanical devices readily available through equipment manufacturers to knock down stubble.
3. Make first tillage pass parallel to the rows.

In case of a adjustment claim, the owner-user must present the tire to an authorized Trelleborg dealer, complete and sign the customer section of the adjustment claim form, attach to the claim form a copy of

the proof-of-purchase, if available and pay the normal replacement price, taxes, mounting and service charges for a new, equivalent Trelleborg brand tire.

The obligation of Trelleborg Wheel Systems Americas Inc under this Stubble Damage Policy must not be enlarged or altered by anyone.
