PROTECT YOUR PERFORMANCE. PROTECT YOUR TIME. PROTECT YOUR COST.

5E/5M Series Utility Tractors

JOHN DEERE

Buyers of **new John Deere 5E/5M Series utility tractors** (MY23 and newer) can now **lock in annual maintenance costs¹** and be in a better position to **prevent downtime**. It's all possible with John Deere Protect™. Available to customers who purchase a new 5E/5M tractor (MY23 and newer), John Deere Protect offers a plan that is designed to **improve performance and efficiency** and **reduce costs**.

You can buy the John Deere Protect **Maintenance Plan** when purchased in conjunction with a PowerGard™ Comprehensive Protection Plan². The John Deere Protect plan is designed to help you maintain original performance and keep your new John Deere 5E/5M tractor running for the first 36 months/1,500 engine hours (**with no deductible³ and no additional charges**).

MAINTENANCE PLAN

John Deere Protect Maintenance Plan⁴ includes:

- 3 Annual Expert Inspections
- 4 or 7 Scheduled Maintenance Events⁵

Minimum PowerGard Comprehensive coverage of 36 months/1,500 hours must be purchased to match the John Deere Protect plan desired. Longer PowerGard plans can be purchased if desired.

¹Excludes diesel fuel and diesel exhaust fluid.

²PowerGard Comprehensive Protection Plan with a minimum term of 36 months/1,500 hours must be purchased separately to be eligible for John Deere Protect extended service plans. Additional details are included in the selling descriptions of each included plan.

³PowerGard deductible applies to any failures under PowerGard coverage.

⁴For complete plan details, contact a participating dealer near you.

⁵Number of Scheduled Maintenance Events varies based on specific model and John Deere Protect plan. Please see your participating dealer for complete details.

So what's included with each component of the John Deere Protect plan? Read on to learn how this valuable coverage helps you heighten 5E/5M tractor performance and productivity while keeping operating expenses in check.

Expert Inspections

The John Deere Protect Maintenance Plan includes three annual expert inspections to help make sure your 5E/5M tractor is ready to run. The 83-plus point inspection ensures that all critical areas of the tractor are evaluated by an expert technician from your local dealer and identifies potential problems to avoid costly, unplanned downtime. Coverage term is 36 months/1,500 engine hours.

Maintenance Events⁶

The John Deere Protect Maintenance Plan includes all of the recommended preventative maintenance at the required hour intervals to ensure your 5E/5M tractor is properly maintained for upcoming field work. Expert technicians perform all maintenance and use Genuine John Deere parts and fluids. See chart for maintenance schedule details. Coverage term is 36 months/1,500 engine hours.
