

# John Deere University (JDU) Customer Direct Classes - As of May 2008

John Deere Customer Direct classes are taught by Subject Matter Experts at a Specific Training Location.

- An instructor will deliver the class.
- **The duration of the class is normally one day.**
- **The class will be very interactive and informative.**
- **The class will provide a "hands-on" learning experience.**

*NOTE: If you selected the Excel spreadsheet option, you can sort classes in a variety of ways (date, class title, location) to aid your learning search. Just click on the drop down arrow within the category and select your sort criteria.*
