*Any authorized John Deere dealer will hand you a replacement part if a new or remanufactured John Deere part proves defective in materials or workmanship during the applicable period of warranty. Simply return the defective part, together with the original sales ticket showing the date of purchase.

John Deere will pay reasonably related replacement labor expenses if, but only if:

- The defective part originally was installed by an authorized John Deere dealer and, the replacement part is installed by an authorized John Deere dealer.

Where permitted by law, neither John Deere nor any company affiliated with it makes any express or implied warranties, representations or promises, other than those set forth herein, as to the quality of performance of John Deere parts, and **NO IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS IS MADE.**

The only remedies the purchaser has in connection with the breach or performance of any warranty on John Deere parts are those set forth herein. In no event will the dealer, John Deere, or any company affiliated with John Deere be liable for incidental or consequential damages or injuries, including but not limited to loss of crops, loss of profits, rental of substitute equipment or other commercial loss.
