

Color-Coded Hydraulic Hose Grips

JOHN DEERE

Grips for Tillage and Planters

Color-coded handles make it easy to match up the hydraulic hoses on your implement with the correct function on the tractor. They also feature anti-slip diamond shaped design to make it easier to grip the hose and connect/disconnect from the back of the tractor. The color-coded parts are laser engraved with the John Deere logo and extend-and-retract icons to ensure proper matching with the proper function.

Features

- 1) Anti-slip knurling (diamond shape texture) for easier gripping
- 2) Color coded and numbered to match hydraulic functions
- 3) Laser finished with John Deere logo, extend-and-retract icons
- 4) Fits 1/2" hydraulic lines for tillage tools and planters

Part Number	Description
KK57310	GRIP, CONNECTOR - GREEN EXTEND
KK57311	GRIP, CONNECTOR - GREEN RETRACT
KK57312	GRIP, CONNECTOR - BLUE EXTEND
KK57313	GRIP, CONNECTOR - BLUE RETRACT
KK57314	GRIP, CONNECTOR - BROWN EXTEND
KK57315	GRIP, CONNECTOR - BROWN RETRACT
KK57316	GRIP, CONNECTOR - BLACK EXTEND
KK57317	GRIP, CONNECTOR - BLACK RETRACT
KK57318	GRIP, CONNECTOR - VIOLET EXTEND
KK57319	GRIP, CONNECTOR - VIOLET RETRACT
KK57320	GRIP, CONNECTOR - GRAY EXTEND
KK57321	GRIP, CONNECTOR - GRAY RETRACT
KK59026	GRIP, CONNECTOR - YELLOW DRAIN
KK79550	POWER BEYOND SUPPLY - EXTEND - RED
KK79551	POWER BEYOND RETURN - RETRACT - BLACK
KK79552	LOAD SENSE - ORANGE
