John Deere Attractions Passport Program

Ready for a legendary adventure? Don’t forget your passport!

The John Deere Attractions passport program is a fun, family-friendly way to explore all of the John Deere Attractions sites. Participation is always free — and you can even earn gifts and discounts for collecting seals and stamps in your passport booklet.

1. Visit a John Deere Attractions Site
   Start your adventure at one of three locations — the John Deere Pavilion, the John Deere Tractor & Engine Museum, or the John Deere Historic Site.

2. Get a Passport
   Stop by the Visitor Information desk and ask for a passport booklet.

3. Collect a Seal
   Commemorate your first trip to one of these locations by asking Deere personnel to emboss your passport booklet with a seal.

4. Collect Stamps
   Ask Deere personnel to stamp your passport booklet for return trips, special events, and/or visits to other participating Deere locations.

5. Earn Gifts and Discounts
   Collect seals and stamps to earn merchandise discounts and one-of-a-kind gifts.
JOHN DEERE ATTRACTIONS PASSPORT PROGRAM

John Deere Attractions sites:

**John Deere Pavilion**
1400 River Drive, Moline, Illinois 61265 | 309.765.1000
Climb into the cab, sit in the driver’s seat, and test your skills in state-of-the-art simulators. Explore some of the biggest John Deere machines — from combines and dozers, to excavators and swing machines — and learn how they’ve changed the world. At the John Deere Pavilion, you get behind the wheel of innovation!

**John Deere Tractor & Engine Museum**
500 Westfield Avenue, Waterloo, Iowa 50701 | 319.292.6126
Explore interactive displays, marvel at classic machines, and get an up-close look at rare John Deere artifacts. Witness the evolution from horse drawn to horsepower, and discover how the innovations of the past helped to shape our future. At the John Deere Tractor & Engine Museum, we bring history to life!

**John Deere Historic Site**
8334 South Clinton Street, Grand Detour (Dixon), Illinois 61021 | 815.652.4551
Hear the clang of the hammer, feel the heat from the forge, and watch the iron melt and take shape. Stand in the spot where John Deere created the first commercially successful steel plow, and relive the experience of his original blacksmith shop. At the John Deere Historic Site, you discover where it all began!
