

Frontier 3-Point Debris Blower

BL1130

Specifications

Say hello to the Frontier 3-Point Debris Blower. Say goodbye to annoying cleanup chores. Sure, clearing dirt and debris around your homestead or commercial property will still need to be done. But now you can tackle those jobs faster, easier, and with less effort.

The BL1130 Debris Blower is perfect for customers who need to move lighter debris, such as dirt, leaves, grass clippings, or straw. The 141 mph air velocity gives you fast-action ability for quicker cleanup. And the 6,000 cfm airflow provides the force to push through loads of work. So what's that mean to you? It means more power to get more done.

But it's more than just the end result. The BL1130 is built for long hours of usage so you can get more out of your investment. Plus, it's affordable, to help keep costs down and productivity up. Best of all, it's easy to hook up thanks to the iMatch™ 3-Point rear hitch, which allows you to start cleaning just as soon as you're ready to work.

The Frontier 3-Point Debris Blower is sold and supported by John Deere, the most trusted name in farm, ranch, and lawn equipment. Talk to your local John Deere dealer, your exclusive source of Frontier Equipment for more information on the Frontier 3-Point Debris Blower.

saving cleanup

Frontier BL1130 3-Point Debris Blower

Built small. Works big.

Make no mistake. While it may look unassuming, the Frontier BL1130 can tackle your most demanding job. So whether you're blowing clippings back into the lawn, clearing leaves from a pathway, or removing dirt from a lot, it pushes chores right off your to-do list. Bottom line: it's a high-hour, high-performance machine. What more could you ask for?

Details

The BL1130 provides 141 miles-per-hour of maximum air velocity and 6,000 cubic feet-per-minute of maximum airflow so you can blow through chores with ease.

Wider coverage lets you clear more ground to reduce the number of passes you need, while saving time and fuel in your operation.

Use this handy adjusting lever (*highlighted*) to change left-right position of the discharge outlet.

Frontier BL1130 3-Point Debris Blower is compatible with the iMatch Category 1 & 2 quick-attach hitch systems. iMatch converts your tractor's 3-point hitch to fixed attachment points for quick and easy connection. (*iMatch sold separately.*)

Make cleanup a breeze

Straw, leaves, dirt, or other debris...you can do it all with the Frontier 3-Point Debris Blower. This affordable tool is loaded with all the features you want – a 540 PTO, 141 mph air velocity, and 6,000 cfm airflow – to give you the all-out-effort you need for everyday tasks around your home or commercial landscape. Just aim and blow. It's as simple as that.

Frontier 3-Point Debris Blower meets applicable ASABE safety standards.
