

# JD14

## THE POWER OF CHOICE.

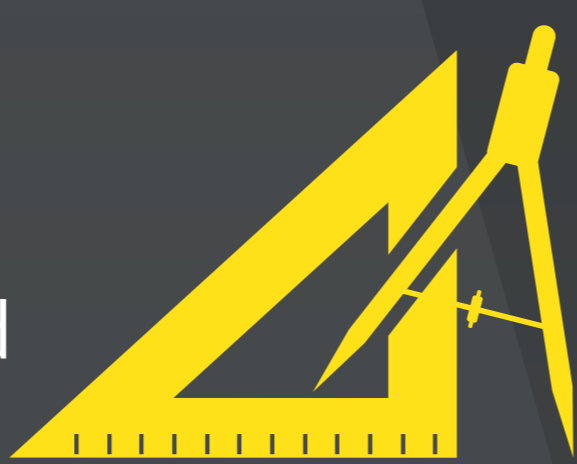

### MORE + LESS

More compact.  
Less configuration.

### 90 DEGREES OF OPTIONAILTY

Aftertreatment can be mounted horizontally or vertically.

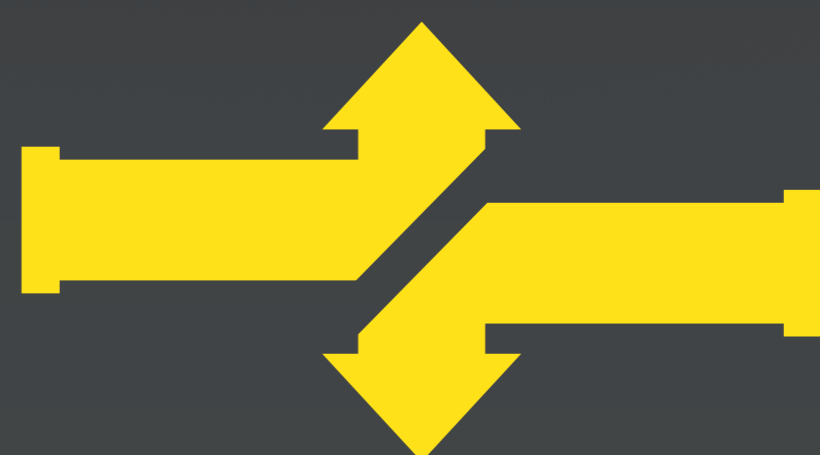

### NO DPF

Choose what works  
for your application.

### WE'VE GOT YOUR BACK

Rear gear train  
reduces crank stress  
and engine noise.

### SINGLE OR DUAL TURBOCHARGER

Choose the configuration that  
best suits your application.

## SIMPLIFIED SERVICEABILITY.

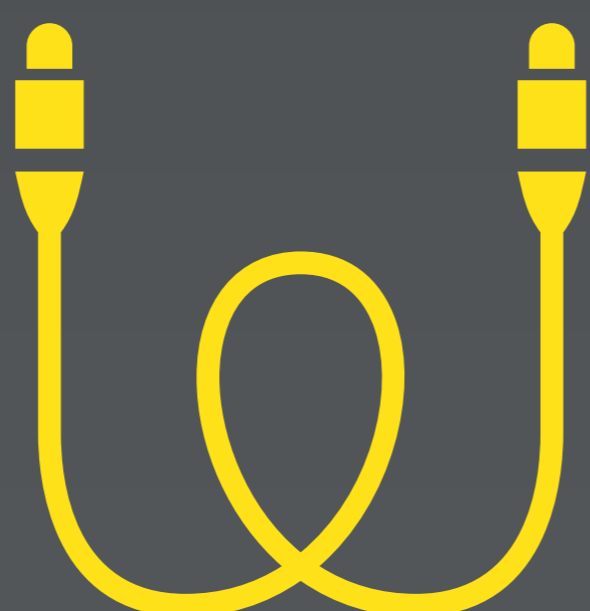

### 9,000+ SERVICE LOCATIONS

Wherever you're working,  
we'll keep you running at  
one of our service locations  
around the world.

### WIRING PROTECTION

No assembly required.  
Wiring protection is  
part of the package.

### DESIGNED FOR MAINTENANCE ACCESSIBILITY

Self-adjusting hydraulic lashes  
save time, and smart ECU means  
no fuel lines or fittings needed.
