

E100 SERIES RIDE ON LAWN TRACTORS

Performance

Side-by-side foot pedals are easy to use and give excellent control of tractor

Seat position keeps the operator in control and in a comfortable working position

Uptime

An updated spring-return feature ensures the operator will not mistakenly leave the throttle lever in the choke position

A larger, 300 CCA battery provides more reliable starts than the 195 CCA battery

Cost of operation

The Easy Change 30 second oil change system makes changing the engine oil easy, quick and clean

John Deere reliability and the Dealer Network simplify maintenance work and reduce overall owner cost
