SOLUTIONS FOR SUCCESS.

John Deere Financial Golf Financing.

Easy financing for your fleet. From the one motivated to make the numbers work for you.

While you work hard behind the scenes to keep your course at its best, you can count on the golf experts at John Deere Financial to help you succeed. In fact, we're the only finance company affiliated with a golf equipment manufacturer.

We take pride in providing the financing to help you through every season. That's why we offer golf leasing, a comprehensive solution to help you get the latest equipment, at a cost that can improve your financial statement.

THE BENEFITS OF LEASING.

Leasing your equipment gives your business a solid edge:

- ✓ Offers lower monthly payments
- ✓ Equipment acquisition in operating budget may offer tax benefits*
- ✓ Keeps your equipment under warranty, reducing maintenance costs
- ✓ Lets you choose your payment date and simplify your payments with the Direct Payment option

It's easy to get started. Contact your John Deere dealer or one of our John Deere Financial Golf Leasing professionals at 888-777-2560.

*Consult your tax advisor.

Get started today.

Your John Deere golf dealer will help you identify your equipment needs. After that, you'll be just a few steps away from making John Deere Financial Golf Leasing work for your course. Here's what you'll need to provide:

- A completed golf course profile at www.JohnDeere.com/GolfProfile
- Your two most recent fiscal year-end balance sheets and income statements (audits preferred)
- An operating agreement, partnership agreement, or bylaws
- A graphic depiction of your organizational structure (for those with complex or multi-layered business structures)

Note: Additional information may be required.

"John Deere Financial was very resourceful and transparent in packaging our lease. Because they're also equipment experts, the people at John Deere Financial have a great grip on what we need. We always trust them to give us a fantastic end product."
