Contract Details

Quotes
Quotes are valid for 30 days from the creation date of the quote OR until the contract expires, whichever comes first. All quotes created in JDQ2 have creation and expiration dates on the upper right hand corner of the first quote page for your convenience.

Allied - Non-John Deere Equipment
Allowed. Allied equipment may only be sold in connection with the sale of a contract item. Items must be clearly labeled on the purchase order or quote as Allied.

Allied items are Order Zone products, implements, attachments, accessories, parts or bundles not manufactured by John Deere that are requested by the customer to complete the purchase of John Deere equipment awarded on contract.

Credit Cards
Allowed. P-cards (credit cards) are allowed with no limit.

Demo
Allowed as long as agency agrees and equipment qualifies for full John Deere warranty.

Fees
Dealer may charge $4 per loaded mile to deliver equipment from the dealership to the agency’s location. The charge will be clearly indicated on the quote and purchase order as a separate line item. Use Google Maps to calculate the mileage.

Financing
Allowed.

Agencies may utilize their own financing or the low interest rate, low cost John Deere Municipal Lease (a type of financing that is specifically designed for qualified state, government and educational entities). Financing results in full ownership at the end of the lease term, which is often referred to as a "lease-purchase".

Leasing
