Purchase Options

John Deere offers a variety of flexible options when you need new equipment.

LEASE

John Deere corporate leases are available for all equipment. Maintain top quality equipment at efficient monthly costs - without carrying the equipment on your books as a capital expenditure.

- Lease terms from 1 to 5 years
- Annual lease hours that meet your needs
- Purchase option at the end of lease

RENT

Equipment needed for a short period or season can be rented. Flexibility without long-term contract.

- Rental terms from 4 to 12 months
- Select total hours needed for rental
- Turn in equipment at the end of the rental

PURCHASE

Own your John Deere equipment and take advantage of Racetrack program benefits.

- Special discounts up to 28% off MSRP
- John Deere financing options
- Include maintenance parts or service agreements into purchase
