

**JOHN DEERE REWARDS PROGRAM
TERMS & CONDITIONS
US & CANADA**

Effective Date: August 1, 2018

The John Deere Rewards Program (“Rewards Program”) is created to assist in managing your equipment and to thank you for your loyalty. When you become a Rewards member, you become eligible for a variety of benefits, depending on your level of Rewards status.

I. ELIGIBILITY

Territory

The Rewards Program is only available to residents in the United States and Canada. The Rewards Program is void where prohibited or restricted by law.

Membership

Rewards Program membership benefits can only be claimed or used by the original purchaser of qualifying equipment. The Rewards Program is non-transferrable. If requested by an authorized John Deere dealer and approved by John Deere, Rewards Program memberships can be combined to achieve a higher Rewards Program status. Combined account examples include, but are not limited to: family members living in the same household, owners of multiple homes, an individual account with the legal owner of a business, and legal owners of multiple businesses.

Authorized John Deere dealers, businesses owned by John Deere dealers or principals, competitive dealers, competitive equipment manufacturers, Government and Public Agencies, and Corporate Business Development Customers of Deere & Company or John Deere Canada ULC (collectively “John Deere”), are not eligible for the Rewards Program.

II. CATEGORIES

The Rewards Program offers five (5) categories of membership including: Silver, Gold, Platinum 1, Platinum 2, and Platinum 3. Detailed benefits for each category can be found at:

- United States – <http://www.johndeere.com/Rewards>
- Canada – <http://www.johndeere.ca/Rewards>

III. PARTICIPATION

Qualifying Equipment Purchases

Qualifying equipment is defined as:

- New, self-propelled, ride-on equipment manufactured by John Deere.
- Excludes all implements, attachments, and accessories.

Qualifying equipment will count towards Rewards Program membership and status regardless of purchase method (finance, cash, lease, etc.). Qualifying equipment must be purchased from an authorized John Deere Dealer, JohnDeere.com (US), JohnDeere.ca (Canada), Lowe's, or Home Depot.

Failure to hold qualifying equipment purchases for 10 months will result in that qualifying purchase no longer counting towards membership status level; as a result, qualifying purchases must be held by the purchasing customer until the first day of the tenth (10th) month of ownership.

Equipment will not be eligible for Rewards Program membership status, if the equipment is repossessed by John Deere or an authorized John Deere dealer.

Initial Membership

Your initial Rewards Program membership determined by your purchase or registration is described for each status level below.

If you purchase qualifying equipment from an authorized John Deere dealer, johndeere.com (US), or johndeere.ca (Canada), your membership will begin on date of purchase.

If you purchase qualifying equipment from Lowe's or Home Depot, you must register the warranty at one of the following: at Home Depot, at Lowe's, at a John Deere dealer, via the product registration card, <http://johndeere.com/warranty> (US), or <http://johndeere.ca/warranty> (Canada), in order for the purchase to count towards Rewards Program membership or status level. Your membership with the Rewards Program will begin the date you purchased the first piece of qualifying equipment.

Regardless of Rewards Program membership status or status changes, once a Rewards Program member number is assigned to a customer, that same member number will be associated with and used by the same customer indefinitely.

Silver

An initial Silver membership can begin with the following:

 - Canada – <http://www.johndeere.ca/Rewards>

Gold

An initial Gold membership can begin from one the following:

- If, during your initial Silver membership, you purchase one (1) piece of qualifying equipment; or
- If you are not a Rewards member, but make an initial purchase of one (1) piece of qualifying equipment.

Rewards Gold is a twelve (12) month membership from the original purchase.

Platinum

An initial Platinum membership can begin from one the following:

- Make one (1) additional purchase during your initial Gold membership; or

Rewards Platinum is a twenty-four (24) month membership from the original purchase or registration.

Subsequent Memberships

After the term of your initial Rewards membership, subsequent membership status is determined by your qualifying purchases from the most recent previous membership period.

Silver

Silver status can be earned from one of the following:

- If zero (0) purchases were made in the most recent previous membership period, the subsequent membership status is automatically Silver, also known as “Earned Silver”; or
- Member receives a renewal email near the end of current Silver membership and opts-in for another twelve (12) months of Silver; or
- Membership is currently expired, and member registers to receive a twelve (12) month membership beginning on the registration date.

Gold

Gold status can be earned from one of the following:

- If one (1) purchase was made in the most recent previous membership period, the subsequent membership status is automatically Gold, also known as “Earned Gold”; or
- Membership is currently Silver or expired, and member purchases one (1) piece of qualifying equipment - which upgrades membership to Gold status for twelve (12) months from the purchase date.

Purchases in an Earned Gold status (i.e. Gold with zero (0) pieces of qualified equipment purchased during the current membership period) count towards the current membership period only. Moreover, (2) pieces of qualified equipment purchased within 12 months of each other, but in different membership periods, will not upgrade a subsequent membership to Platinum status.

Platinum

Platinum status can be earned from one of the following:

- If two (2) or more purchases were made in the most recent previous membership period, the subsequent membership status is automatically Platinum, also known as “Earned Platinum”; or
- Membership is currently Silver, Earned Gold, or Expired, and member purchases two (2) pieces of qualifying equipment - which upgrades membership to Platinum status for twenty-four (24) months from the purchase date; or
- Membership is currently Gold with one (1) qualifying purchase in the current membership period, and member purchases one (1) piece of qualifying equipment - which upgrades membership to Platinum status for twenty-four (24) months from the Gold purchase date; or
- Membership or employment with a Rewards Program partner, association, or affiliation; or
- Registration at a Rewards Program show or event.

IV. BENEFITS

A valid Rewards Program membership card must be presented at time of purchase or you must notify the selling John Deere dealer at time of purchase. Rewards discounts can be combined with national offers, except the following programs: Government Direct, CBD, Special Discount, MUD, CWP Associations/Segment Program, and published Golf retail bonus programs.

By joining the Rewards Program and providing a valid email address, you agree that John Deere may send electronic messages related to benefits, discounts, offers, and products. You may unsubscribe from a John Deere email at any time, but you may limit certain Rewards benefits.

Equipment Discounts

Equipment defined as:

- Equipment that is eligible for a Rewards Program discount per the discount structure found at:
 - United States – <http://www.johndeere.com/Rewards>
 - Canada – <http://www.johndeere.ca/Rewards>

Rewards Program equipment discounts are available on select equipment purchases. Rewards discounts can be taken on the unit(s) purchased that qualify for Platinum status. You may earn additional discounts and increased status levels during the current twenty-four (24) month period if you purchase additional qualifying equipment.

Example: If you initially purchase 2 units January 1, 2015, your discount level for January 1, 2015 – December 31, 2016 is Platinum 1. If in 2015 you purchase an additional 3 units at one time, your discount level at the time of purchase is Platinum 2. Total units purchased during this membership period was 5 units. On January 1, 2017, we determine your second membership status from January 1, 2017 – December 31, 2018. The 5 total units purchased in your previous membership determine a minimum discount level of Platinum 2. Purchasing 3 new units would all receive Platinum 2 discounts.

Discounts are not retroactive on previously purchased equipment. Equipment returns could affect your Rewards Program membership status and discount level.
