

PowerGard™ Protection Plan:

Extended warranty protection for
John Deere cotton harvesters

Buy with confidence and peace of mind

Now you can purchase a new or pre-owned John Deere cotton harvester with more confidence than ever. The PowerGard Protection Plan offers valuable extended warranty coverage to protect you from unforeseen future repair bills and the costly downtime that a breakdown can cause.

PowerGard offers flexible coverage options for all new John Deere cotton pickers and strippers and PowerGard Certified pre-owned John Deere pickers and strippers.

■ PowerGard delivers the protection you need:*

The PowerGard Protection Plan includes broad coverage for main components of the engine and powertrain, plus the unit-drive hydrostatic pump and the unit-drive hydraulic motor. For even broader coverage for your new John Deere cotton harvester, choose the Comprehensive (full machine) coverage plan option.

*The PowerGard Protection Plan (Limited or Comprehensive) does not cover attachments, maintenance or high-wear items, nor other non-covered components specifically mentioned in the contract terms.

■ Choose your terms

Select from a variety of flexible term lengths, in total months and total hours. Choose the terms that fit your individual needs, depending on how long you plan to own your cotton harvester and your estimated annual usage hours.

■ No pre-approval of claims necessary

Call or visit any authorized John Deere dealership for service.

■ Repaired with genuine John Deere parts

We'll fix it right, with exactly the right John Deere parts to fit your machine.

■ Increase the value of your cotton harvester when you sell or trade

Any remaining PowerGard coverage is fully transferable to a new owner, with no transfer fee.

PowerGard™ Protection Plan:

Extended warranty protection for John Deere cotton harvesters

Which cotton harvesters qualify for the PowerGard Protection Plan?

New cotton harvesters: All new John Deere cotton pickers and strippers qualify. When you buy a new cotton picker or stripper, you can purchase a PowerGard Plan anytime from the date of delivery up to 95 days or 100 engine hours, for the lowest possible price. After this interval, you can purchase PowerGard Protection anytime up to 12 months or 1000 engine hours from the date of delivery, for a surcharged rate.

PowerGard Certified pre-owned

cotton harvesters: PowerGard Certified pre-owned cotton pickers and strippers in dealer inventory may also be eligible.¹ For pre-owned units, PowerGard Protection must be purchased at the time of sale of the unit.

(Pre-owned cotton pickers and strippers that are PowerGard Certified by your local John Deere dealer have been thoroughly inspected with a 100+ point check of all main components and have passed detailed fluid testing and analyses.)

What does the PowerGard Protection Plan cover?²

Coverage for cotton harvesters: Main components of the engine and powertrain are covered for mechanical breakdown caused by a defective component, due to faulty materials, or original workmanship. The unit-drive hydrostatic pump and the unit-drive hydraulic motor are also covered. Under the Comprehensive (full machine) coverage form, most components of the cotton harvesters are covered under PowerGard Protection, with the exceptions of tires, batteries, radios, wear items/maintenance items, attachments/headers, or AMS components, software, data storage, etc.

What will my deductible be?

All PowerGard Plans for cotton harvesters, regardless of coverage terms, have the same deductible of \$500 per work order.

What coverage terms are available for new cotton harvesters?
